Dear Customers / CSR's:

This is my notification to all of you that I am choosing to not have a series outside of the regular SCCA Divisional Championship System for 2009. I have spoken to the CSR's and many racers to see if we could create something, without a large prize fund, that would entice the FE customer / racer to participate more...as the originally FCM Series did and 2008 EFCN Series tried to do (unsuccessfully in my opinion). No one has proposed anything that I feel will do this, so for this reason we will offer the following instead. (HOWEVER, I am never too proud to steal an idea...so consider this my final decision until I decide it isn't. Call me with ideas if you wish! 303 693-2111 8am – 6pm MST).

We still have a terrific partner in the Howden Media Group and we will continue to work with them for www.eformulacarnevents.com website specials. These will include Driver Spotlights, Event Results, and Team / CSR Specials. This is a process that requires help from our FE teams and drivers to take full advantage of. Contacts are myself eskirmants@scca.com , Erin eebelmesser@scca.com and as always the esteemed Allan Craighead at a new e-mail acraighead@howdenmediagroup.com.

http://www.eformulacarnevents.com/news_info.php?n=4787&sid=8ce96dcec70968331ee0d56f3a4df03b

The one real loss in this is the terrific trophies (artwork by Mr. Chris Doyle and produced by Mr. Ron Doyle at Digital Thermal Graphics) that we send at years end, so I am considering continuing this effort either in supplement to or in place of the current SCCA Divisional awards...more later. If I back off this tradition I promise to invest more in prizes and parties in its place.

As always the primary customer recipients are in the bcc list and if you need to offer corrections to the data we have contact Ms. Ebelmesser via e-mail.

Sincerely,

Erik Skirmants
President
